Twentieth Biennial BIC convened in Fort Collins

BIC—the Bean Improvement Cooperative meetings were held in Ft. Collins at the Hilton Garden Inn, Oct. 25th to the 28th, 2009. Howard Schwartz, CSU, welcomed all for the Health Improvement Symposium.

On Oct. 27th, the USDA Planning Grant Committee (a $50K planning grant to Document the Health-Promoting Properties of Dry Beans and to Increase Consumption in the U.S.) visited the CSU campus—their first site visit of five campuses involved. Elizabeth Ryan, Henry Thompson, and Mark Brick hosted Maurice Bennink, Michael Grusak, Andrea Hutchins, Paul Gepts, and Donna Winham. They visited the Animal Cancer Center (CVMBS) and Crops For Health /Cancer Prevention Lab (Horticulture and Landscape Architecture Dept.) at CSU.
